Farm Bureau Favors Warehouse Program

The Virginia Farm Bureau strongly recommends implementation of the grower designation of warehouse program for the orderly marketing of flue-cured tobacco.

Robert B. Delano, VFBF president, today reaffirmed grower support of the program in response to a civil action petition which has been filed against U. S. Secretary of Agriculture, Earl L. Butz to stop the new program.

"It is a belief of Virginia Farm Bureau Federation that such a concept will provide the more orderly marketing of flue-cured tobacco, and also will provide inspection and price support services to producers of flue-cured tobacco on a more equitable basis," Delano stated in an affidavit filed for court proceedings, June 13, in Columbia, S. C.

A group of 15 warehousemen, warehouse operators and leaf producers have filed a petition to seek an injunction to prevent enforcement of regulations under grower designation proposal adopted by USDA.

The case will be heard in the U. S. District Court in Columbia.

The plaintiffs contend they will sustain substantial and permanent damages unless the enforcement of the regulations are suspended.

The concept of the marketing plan is for growers of designated warehouses within 100 miles of the county seat in which the leaf is grown. If the grower does not sell under the new plan, he will lose price support services.

In his affidavit, Delano said a very high percentage of growers who are members of the Virginia Farm Bureau support the new program.

Farm Bureau adopted this official position after consultation with flue-cured tobacco committees in producing counties, according to Delano.

The VFBF is the largest farm organization in Virginia and represents more than 32,500 member families.

Transco Acquires Interest In Two Tracts

Transcontinental Production Company, a wholly owned subsidiary of Transco Companies, Inc., acquired interests in two tracts in the High Island South Addition, offshore Texas, in the Federal lease sale held May 29 by jointly bidding with Pennzoil and others.

The two tracts, Blocks 562 and 582, are located approximately 110 miles southeast of Galveston. The successful bids totaled about $19 million - - with about $3.6 million bid for Block 562 and $15.3 million for Blaock 582.

Transco will have a 5 per cent interest in Block 562 and approximately a 10.6 per cent interest in Block 582. The two blocks adjoin Blocks 563 and 564, in which Transco already owns a 9 per cent interest, Pennzoil is the operator of all four blocks.

During the lease sale, a total of $1.5 billion in high bids was made by oil and gas companies. The bids were submitted for exploration rights on 123 tracts located off the cost of southeast Texas.

In Memoriam

In loving memory of our husband and father, Everett W. (Pete) Martin who passed away one year ago, June 12, 1973.

Just one year ago today you left us,
Since God called you away
And day by day we miss you more,
Than words could ever say.

In our lonely hours of thinking,
We have shed a million tears,
Wishing that God could have spared you,
A few more lovely years.

It broke our hearts when he took you,
But you did not go alone,
A part of us went with you,
The day God called you home.
Pete, no one could ever replace you, for E. W. and I still love you dear.
And we know that in this big world that you will always be near.

Sadly missed by wife, Mary Frances and son, E. W. Jr.

In Memoriam

In loving memory of our son and brother Everett Martin (Pete) who left us one year ago June 12.

One year has passed since that sad day when one we loved was called away.
Pete, we shall never forget the evening of June 11th when you left our home, we knew the end was near and the shock would be severe, and God would soon be taking you home, Smiling to the end, unselfish and kind to all you loved and died everybody's friend.
God gave us strength to bear it, and courage to meet the blow but what it meant to love you God will only know.
